Protection against wind and weather

ALIS Decking Oil is a water resistant and an open-pored oil for the first treatment and care of decks and wooden facades. ALIS Decking Oil dries quickly and refreshes wooden surfaces. It does not chip or flake and stays smooth and easy to care for.

ALIS Decking Oil is applied with a brush on dry surfaces with two coats on wooden decks and with three coats on wooden facades. The air temperature should be warmer than 10°C.

ALIS Decking Oil is now available in 8 different colors of which samples are printed on the back.

Further information as well as the safety advises you will find on our Technical Data Sheets (TDS) and on our labels and packaging.
