

MSDS: according to EC directive 2001/58/EC and the REACH regulation 1907/2006 Annex II

RUBIO FUMED

1. Identification of the substance/preparation and of the company/undertaking

Trade name : RUBIO FUMED
Name : RUBIO FUMED
Chemical name : RUBIO FUMED
Main use category : Professional use
Consumer use
Company/undertaking identification : Muylle Facon - Rubio Monocoat
Ambachtenstraat 58
8870 Izegem
Belgium
Tel.:+32 (0) 51 30 80 54
Fax:+32 (0) 51 30 99 78
E-mail: info@muyllefacon.be
Website: www.muyllefacon.be
Responsible : safety@muyllefacon.be

2. Hazards identification

Not classified as dangerous according to the criteria of directive(s) 67/548/EEC and/or 1999/45/EC

R-phrases : -
Fire hazard : Not flammable

3. Composition/information on ingredients

Not classified as dangerous according to the criteria of directive(s) 67/548/EEC and/or 1999/45/EC

4. First aid measures

Symptoms/injuries after eye contact : None under normal use
Symptoms/injuries after skin contact : None under normal use
Symptoms/injuries after inhalation : Non-toxic by inhalation
Symptoms/injuries after ingestion : No specific measures have to be taken if the product is swallowed.
First-aid measures after inhalation : under the recommended handling conditions: not required
First-aid measures after skin contact : under the recommended handling conditions: not required
First-aid measures after eye contact : Rinse immediately with water
First-aid measures after ingestion : Rinse mouth. - In all cases of doubt, or when symptoms persist, seek medical attention

5. Fire fighting measures

- Fire hazard : Not flammable

7. Handling and storage

- Handling the product : No personal breathing protective equipment is normally required
Storage area : Protect against frost. Keep container closed when not in use

8. Exposure controls / Personal protection equipment

- Respiratory protection : under the recommended handling conditions: not required
Hand protection : under the recommended handling conditions: not required
Eye protection : under the recommended handling conditions: not required
Skin and body protection : under the recommended handling conditions: not required
Handling the product : No personal breathing protective equipment is normally required

9. Physical and chemical properties

- Physical state : Liquid

All properties are determined in accordance with the specifications laid down in the Commission Regulation on testing methods referred to in Article 13(3) or any other comparable method.

10. Stability and reactivity

11. Toxicological information

- General toxicity : When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.
Symptoms/injuries after skin contact : None under normal use
Symptoms/injuries after inhalation : Non-toxic by inhalation
Symptoms/injuries after ingestion : No specific measures have to be taken if the product is swallowed.
Symptoms/injuries after eye contact : None under normal use

12. Ecological information

- Ecology - general : Ecological problems are not known or expected under normal use

13. Disposal considerations

- Ecology - general : Ecological problems are not known or expected under normal use
Disposal : Collect spillage.

14. Transport information

Transport regulations (ADR) : Not applicable
Transport regulations (RID) : Not applicable
Transport regulations (IMDG) : Not applicable
Transport regulations (ICAO) : Not applicable

15. Regulatory information

Label name : Rubio Fumed
Information about Chemical Safety Assessment is public domain

R-phrases : -

Not classified as dangerous according to the criteria of directive(s) 67/548/EEC and/or 1999/45/EC

S-phrases : S2 - Keep out of the reach of children.

Not classified as dangerous according to the criteria of directive(s) 67/548/EEC and/or 1999/45/EC

16. Other information

R-Phrases components

Version : 2.0
Revision date : 11/07/2011

MSDS: according to EC directive 2001/58/EC and the REACH regulation 1907/2006 Annex II

REACH Disclaimer:
This information is based on current knowledge. Consistency of data in the SDS with CSR is considered, as far as the information is available at the time of compilation (cfr Revision date and Version number).
